Employment History

Ratio (August 2013 - Present)

206-281-8240 | 71 Columbia Street, Second Floor | Seattle, WA 98104

weareratio.com

Position: **Senior Interactive Designer**

Video Projects: Books I Love iOS app promo video, Whitney Museum artwall concept presentation, Microsoft Sports Gym presentation, Ratio logo / branding motion study + re-branding Cypress videos

UX + UI Design: Formotus Windows 8 app, continued support for AT&T Locker Windows Phone + tablet apps

Cypress Consulting (January 2009 – July 2013)

206-281-8240 | 71 Columbia Street, Second Floor | Seattle, WA 98104

cypressconsulting.net

Position: **Senior Interactive Designer**

Primary applications used: Photoshop, InDesign, Illustrator, After Effects, Premiere, Final Cut, OmniGraffle, Dreamweaver, Microsoft Office suite

Video Projects: Cypress Agency Reel + Culture Reel, Microsoft Windows 8 Touch Gestures, Cypress Windows 8 + Xbox 360 design promotional videos

UX Design: AT&T Locker Windows Phone 8 + Windows 8 tablet apps, FOX TV iPhone + Windows 8 tablet apps, FrightPix and The Whistle Xbox 360 apps, several Windows 8 apps for smaller companies

UI Design: FOX TV (multiple platforms, primarily Windows 8 tablet), FrightPix Xbox 360 app (as well as apps for Disney and The Whistle, which have not been released), Amazon Windows 8 tablet app, Sony VideON pro video channel website, VoicePrint / AML website, Sony Crackle Windows Phone app, Connell Brothers website, Cypress Consulting website (circa 2011) and Windows Phone 7 microsite (2010)

Additional roles: In addition to being the go-to guy at Cypress for any motion or video projects, I served as a liaison between UI designers and developers to help streamline the process of styling Xbox 360 applications. This involved researching default XAML styling as well as our own CypressX framework.

Screenlife, LLC (December 2004 – January 2009) – purchased by Paramount in 2008 – now defunct

Formerly at 111 South Jackson Street, Second Floor | Seattle, WA 98104

screenlifegames.com

Position: **Motion Graphic Designer | Motion Design Lead**

Primary applications used: Adobe After Effects, Photoshop, Premiere, Illustrator, Autodesk 3ds MAX

Motion Design Lead: Seinfeld Scene It, Simpsons Scenelt, Animal House mini-game (on the special edition DVD release)

Motion Graphic Designer: Scenelt titles: Pop Culture – 80s, Movie 2, Dr. Who (UK release), misc Travel editions, Comedy & NFL (unreleased)

Additional titles: Fluster game demo, iPod demo for Scenelt Movie 2, Quip It, Know It All (Global Video's classroom educational series), Fisher Price InteracTV titles

DC Productions (August 2002 – March 2012)

Contact: Jerry Dahlberg • dcproductions@gmail.com • 206-310-4844

Freelance video production + live event graphics

For roughly a decade I worked with Jerry Dahlberg of DC Productions with motion design and background video loops for concerts, trade shows, events, youth conferences, etc. This often involved custom designs for multiple screens, with a random mix of formats and configurations for each show; typically 3-4 events per year.

Additional Work History

Lake Stevens Family Church (January 2005 – January 2006)

Contact: Pastor Virgil Brown

1609 E Lakeshore Drive | Lake Stevens, WA 98258

lakestevenschurch.com

Position: **Multimedia Director**

Part time job - I continued to assist them with their website & some miscellaneous items on a volunteer basis for several years.

Bethany Christian Assembly (November 1997 – December 2004)

Contact: Pastor Rob Carlson

2715 Everett Avenue | Everett, WA 98201

bcachurch.com

Position: **Multimedia Director**

Full time job encompassing a variety of tasks: video editing, multimedia & print design, web design & maintenance, even some light IT - the last five years there I phased out of print and focused primarily on video + multimedia.
